Éditorial

Après le succès des championnats du Monde Jeunes en 2019, la Fédération Française de Bowling et de Sport de Quilles (F.F.B.S.Q.) organise à nouveau une belle compétition : les championnats d'Europe Jeunes.

Forte de ses 20000 licenciés et de ses 650 clubs, la F.F.B.S.Q. s'est lancée un défi soutenu par la Fédération Européenne de Bowling (E.B.F.). Le défi est simple, il s'agit de démontrer que le Bowling avec les meilleurs jeunes européens est aussi un sport.

Et ce n'est pas sans honneur et sans joie que la F.F.B.S.Q. va mettre tout en œuvre pour la réussite de ce projet tant pour faire briller l'image de la France que pour faire connaître au grand public le bowling comme sport de haut niveau.

La compétition se déroulera sur les 36 pistes du Cristal Bowling de Wittelsheim en Alsace du 02 au 11 septembre 2022. Je salue et remercie M. Paulo VIAL qui met ses infrastructures à la disposition de la Fédération ainsi que la Ligue Grand Est, le comité départemental, les bénévoles qui nous accompagnent dans la réussite de cet évènement.

Je souhaite la bienvenue aux délégations étrangères présentes sur le sol français et j'espère que nos sportifs pourront accomplir de belles performances.

Bonne compétition à toutes et tous.

Président de la FFBSQ

Le banquet dans le plus grand musée ferroviaire d'Europe

Inaugurée en 1971 sous le nom de « Musée français du chemin de fer », la Cité du Train - Patrimoine SNCF (Mulhouse, Alsace) conserve l'un des patrimoines ferroviaires les plus importants d'Europe.

Trois espaces d'expositions et d'animations retracent la période héroïque des chemins de fer du XIXe siècle à nos jours, des premières locomotives à vapeur au TGV. La collection valorise ainsi de nombreux domaines : les sciences et techniques, l'histoire sociale, les arts décoratifs, les arts graphiques et ferroviaires...
