DÉROULEMENT DE LA COMPETITION

COMPETITION FORMAT

SPECIFICATIONS FOR THE MASTER (MEN AND WOMEN) EVENT

- The 8 highest positioned players after the 24 games are qualified for the masters event, seeded as 1-8 in all steps of the masters event according to their position in the final all event standing.
- In all steps of the masters event there will head to head matches, where the highest seeded players will be matched against the lowest seeded player.
- Each match will consist of 2 games, total pin fall.
- In each match the highest seeded player is deciding whether he wants to begin the first game on the left or right lane. In the second game the order of players will be opposite to the first game.
- In case of withdrawals from any match in the Masters event, the player without opponent will be declared the winner of the match

TIE BREAKING

Definition of a game score

- A. Actual pin fall in the game for an individual player
- B. Actual pin fall for any size of team in a game for the players of the team

The following will apply to all events except in head-to-head matches

- A. In case of a tie the highest positioned will be the player/team with the highest last game score
- B. If a tie still exists the highest positioned will be the player/team with the highest second last game score etc.

The following will apply to head-to-head matches

- A. In case of a tie in a game a one ball roll off on a full set of pins will be played, repeated until the tie is broken
- B. In the case of dual lane style of play the players will for the first roll off delivery be positioned on the lanes where they ended the game. The highest ranked player after the qualification will chose the order of play. For a second roll off delivery the players will switch lanes and the order of deliveries will be opposite to the first one and so on.
- C. In the case of single lane style of play all roll off deliveries will be played on the same lane as the tie occurred. The highest ranked player after the qualification will choose the order of play. For a second roll off delivery the order of play will be the opposite of the first one, and so on.

The following will apply to the Team event:

- A. In case of a tie in a match, each team member will bowl a one ball roll off on a full set of pins. After all players of both teams have completed their roll offs, the total pin fall is counted to break the tie
- B. For the first roll off delivery the teams will be positioned on the lanes where they ended the game. The players of each team will make the roll off deliveries in the same order as the line up for the whole match. The highest ranked team after the qualification will choose which of the teams to start
- C. When the first player of the team chosen to start the roll off has made his delivery, the first player of the other team makes his delivery, followed by the second player of the starting team and the second player of the other team, and so on until all players of both teams have made their deliveries *
- D. When both teams have made their deliveries and there is still a tie, the teams switch lanes and the order of the team to begin will be reversed. The lineup of each team will remain the same as for the previous round of roll offs. This procedure will continue until the tie is broken.
